- 3.) Major: Computer Engineering Technologies w/ Minor in Mathematics
- 4.) (My girlfriend Olivia is on the left and I am on the right)

- 5.) Seaman, OH
- 6.) I am taking Concurrency so I can become a more well rounded software developer as part of the requirements of the CET degree.
- 7.) I hope to learn more about asynchronous programming and callback functions because I find it a bit confusing at work and I know that there is a right and a wrong way to handle those situations. It would also be great to learn industry standard technologies and new programming techniques to better help with real world scenerios.
